

The search is on for the Young Citizen of the Year 2021

Nominations for our Civic Awards 2021 will be a little different this year as we focus on local heroes in our community during the Covid-19 pandemic.

If you know of a young person aged 11-18 years, who has made a real difference in their community or school during the Covid-19 pandemic, nominate them today.

2020 has been an extraordinary year and Epping Forest District Council would like to recognise the achievements of young people during the Covid-19 pandemic. This can be in terms of outstanding courage, service to the community or showing extraordinary commitment, energy and effort during Covid-19.

This annual award recognises young people living in or making a significant contribution to the district through their actions and activities.

Making positive contributions

Quote from Portfolio holder, Councillor Holly Whitbread

“We have had some outstanding winners in this category over the years and I know 2021 will be no exception. Our young people have been working hard since lockdown in so many ways, supporting their schools, families and communities at this difficult time. So please nominate a young person you know that you feel deserves such an award.”
