Supportive	Neither supportive nor unsupportive	Do not support	Need further information to form an opinion
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

# East End Solar Farm Community Feedback Form

## What aspects of the proposed East End Solar Farm are important to you?

Please tick as many that apply, using the text below to provide additional information.

Ecology & wildlife (please indicate any plant, animal, or bird species you think are particularly important)

Landscape & visual impact (please indicate any local viewpoints you think are particularly important)

Local heritage & archaeology (please indicate any sites of importance)

Traffic access & construction (for example important local roads)

Land use and agriculture

Flood risk

Noise

Tourism & recreation

Other

(please provide details of any other aspects that are of importance to you or your local community)

# East End Solar Farm Community Feedback Form

**We believe it is right that the community closest to a solar farm is able to benefit from it. We will work with the Parish Council or a Community Foundation to help facilitate or directly deliver these benefits.**

**If you have an idea for a sustainable, locally based scheme or project, please provide any suggestions below.**

**These could include:**

- New wildlife habitats /environments
- Funding to support local community groups or projects (please describe the project and / or name of the local community group)
- Incorporation of recreational improvements in our design (i.e. new footpaths)
- Educational areas in proximity of the site
- Site tours for the community and/or schools
- Working with local schools
- Other (please specify)
